22 February Newsletter:08:1:3

The Principal's word

Kia ora koutou

At Assembly on Monday I encouraged the students to make the most of the numerous opportunities here at school. In particular, to become involved in sports, cultural and leadership activities.

Congratulations to Jenna Aikman and Daniel Rich our Sports Prefects and to Daniel Garland and Polly McSkimming our Arts Prefects for 2008. 8 students were interviewed for these positions and they are all to be commended on their fine efforts. The appointment of 2 students to work in each area is a change this year. We intend to implement a Sports Committee and an Arts Committee that will be led by the Prefects and will enable more student involvement in the planning and organisation of sports and cultural activities. These Prefects have already voiced some good ideas about the way events could be run. I am looking forward to working with all our Prefects during the year.

Congratulations to John Begg, our new Board of Trustees Chairperson. Ken Buckingham has stood down from this position after 4½ years. Many thanks Ken for all your work in ensuring the effective governance of our school. Ken will continue on the Board as Deputy Chairman.

Year 8 and 10 parents and caregivers, a reminder about our Information Evening on Wednesday 27 February, starting at 7.30pm. We welcome the opportunity to meet with you, to outline our expectations of students and to talk to you about the Health programme and camps, among other things. I encourage you to attend this meeting and thereby be well informed about your child's education.

This week Year 7 students participated in 2 days of activities. They had one day at the Waihao Marae where they were introduced to Marae protocol and their second day involved them walking up to the white horse and participating in various outdoor activities. I have been particularly impressed with the positive way in which our new students have been participating and conducting themselves. A special thanks to people at the Waihao Marae who made this visit possible and to our parents who assisted with transport.

The Life Education bus has visited our school this week. All Year 7 and 8 students have participated in activities about making good decisions. This is part of our Health Programme.

Maths Competitions

This year there are to be three Maths competitions held. The first one is on Wednesday 9 April. This is the National Bank Maths Competition, aimed at Year 9, 10 and 11. It consists of five tricky word problems, designed to test ability to analyse a problem and to express a solution clearly and accurately. Cut off date for this is March 19th. The second competition is the Australian Maths Competition for Years 7-13. This is a multi-choice competition, testing basic skills and problem solving, and is held in late July. Entries for this will be collected during May. The third competition is a local one, the Aoraki Maths Competition. This is a team event, held in the evening where schools from the Aoraki region compete against each other in the race to solve the most problems. Held in August, it is expected to be at Timaru Girls High. Teams of four from each year from Year 7-10 enter in this, an exciting event to watch.

Students will be reminded of these events as they approach, and practise for them will help students be ready to tackle the problems. Any enquiries about these, contact Andrea Atkinson in the Maths department.

Congratulations to Lachie Robertson on his selection for the SC primary School Cricket side to play North Otago this Sunday.

Touch Rugby Tournament

On Sunday 17 February ten students from Waimate High School took part in the Aoraki Secondary Schools Senior Mixed Touch Rugby Tournament, which was hosted by Temuka. The Waimate team was drawn in the same pool as previous winner Mt Hutt College, and all the teams present had plenty of talented players. Waimate started the day with comfortable wins over Ashburton College and Mountainview High School, then they had a narrow win over Mt Hutt. Following this the team had a comfortable victory over a Geraldine High School B team, which meant they qualified for the semi finals top of their pool.

In the semi final Waimate meet Opihi College, who had a strong, well drilled team. Despite a close first half Waimate were able to romp away to a 5-2 win which saw them meet Geraldine A in the final. This was a game that see-sawed back and forth, with Geraldine leading twice in the game only for Waimate to draw level twice before scoring the winning try 30 seconds before the final hooter. The Waimate High team showed plenty of determination and talent to stay in the final and were rewarded with a great win.

The Waimate team was Kurt Rooney, Gus Patterson, Josh Weir, Guy Linton, Jared Matthews, Emma Porter, Jenna Aikman, Beth

Cawood, Rachel Pankhurst and Katherine Huggins. All the players showed great stamina to get through six games on a hot day, and four were named in the senior tournament team. They were; Kurt Rooney, Gus Patterson, Jared Matthews and Jenna Aikman. Congratulations to these players and the whole team for an outstanding effort on the day.

The team will now travel to Christchurch to represent Aoraki at the South Island Championships in Christchurch in late March.

High School Juniors perform well at Southern Districts Tennis Tournament

Last weekend Jack Gibson and Gretchen Bleeker, both Yr 7 students, represented South Canterbury at the Southern Districts Under 13 Tournament held in Invercargill.

Jack played tremendous tennis at number 2 and won two of his games and had two close losses.

Gretchen also played at number 2 and while only winning one of her four games, she improved in every game in what was her first major representative tournament.

Year 8 Camps

8Yl Tuesday 4 - Friday 7 March

8Ot Tuesday 11 - Thursday 14 March

8Yg Monday 17 - Thursday 20 March

Cost

The cost of these camps is \$75 per student. This must be paid before the camp date. We are unable to allow students to participate without payment or permission forms. If you have any questions or problems regarding the payment of the camp, please contact Mrs Packman at the school.

Information

Students going on this camp will have or will be given a basic gear list and permission forms by their homeroom teachers. Please ensure that your child has suitable clothing as we are all well aware that weather conditions can change suddenly. If you have any problems getting the correct gear please contact your child's homeroom teacher (Mr Young for 8Yg, Mrs Warner or Mrs Young for 8Yl and Mrs Ottley for 8Ot) as soon as possible.

Senior Students

The following are the dates for Liaison Officers visits as well as visits to Tertiary Institutions:
